ABOUT US

VISHWABHANU GLOBAL

About Vishwabhanu Global: Built on Trust, Driven by Purpose

Every enduring global enterprise is built upon an unshakable foundation of ethical duty, generational stewardship, and uncompromising integrity. Vishwabhanu Global begins its international trade journey anchored in time-tested commercial values, absolute transparency, and the timeless Vedic ethos of "Vasudhaiva Kutumbakam" - The World Is One Family.

In Sanskrit, "Vishwa' represents the interconnected world, and 'Bhanu' symbolizes the life-giving sun.. True to this name, Vishwabhanu Global serves as a reliable, transparent bridge connecting the finest agricultural harvests directly to international food processors, canneries, distributors, and wholesale importers worldwide-illuminating global supply chains with consistent quality, traceability, and customer satisfaction.

VISHWABHANU GLOBAL

126 YEARS OF
GENERATIONAL TRUST & AGRICULTURAL STEWARDSHIP

From Our Roots To Global Markets

Five Generations of Farmgate Sourcing, Mandi Aggregation & Modern Processing

1900

The Genesis (Titodi)

Madhavjibhai Juthalal Gokani

Laid the foundation stone through direct relationships with local farming communities and fair barter.

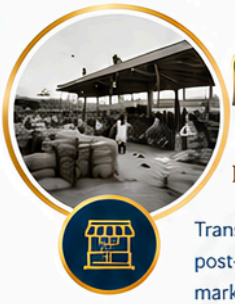

1930

Stewardship & Expansion

Hirjibhai Juthalal Gokani

Expanded regional trade footprint and established deep merchant trust.

1956

Grassroots Mandi Integration (Titodi)

Transitioned into formal post-independence agricultural markets, mastering traditional pulse grading at the source.

1980 – 2007

Jamnagar Wholesale Hub

(M/s Ramniklal & Company)

Scaled wholesale operations, handling high-volume regional staples and pulses.

2001 & 2016

Saurashtra Brokerage Network

(Ajay Brokers, Jamnagar & Rajkot)

Built daily trade aggregation across all major APMC yards in Saurashtra.

2023

Merchant Trade Consolidation

(Shree Vallabh Agro)

Streamlined bulk grading and supply to domestic processing mills nationwide.

2026

The 5th Generation Leap

(VISHWABHANU GLOBAL)

Stepping onto the international stage for seamless cross-border agricultural exports.

2027

Sortex Manufacturing Unit

(Shri Vallabh Agro LLP)

Modern processing facility with optical color sorters, gravity separators, and automated destoners (99.5% – 99.9% export purity).

Five Generations.
One Vision.

BETTER FARMERS | STRONGER TRADE | A GLOBAL TOMORROW

VISHWABHANU GLOBAL

01

VISION

"To establish Vishwabhanu Global as India's most trusted supplier of premium, Sortex-cleaned pulses and edible legumes, while systematically expanding into an integrated, multi-sector merchant export house serving international markets."

02

MISSION

- To empower Indian pulse growers by eliminating domestic supply chain layers and connecting their harvest directly to international food supply lines.
- To supply international importers, canneries, packaging houses, and catering chains with customized, lab-certified, and export-grade pulses that strictly adhere to global phytosanitary and food safety laws.
- To maintain transparent pricing, honest count/caliber declarations, and zero-defect packaging for every shipment leaving Indian shores.

03

QUALITY CREDO

For Vishwabhanu Global, quality begins at sourcing and continues through grading, inspection, packaging, and shipment. We are committed to clean, carefully graded agricultural commodities, transparent specifications, responsible handling, and consistent quality checks for every order. Our buyers are long-term partners, and we strive to preserve natural color, farm-fresh nutrition, and dependable cooking quality.

Chickpeas & Pigeon Peas

VISHWABHANU GLOBAL

Cicer arietinum & Cajanus cajan — Export-Grade Chana & Toor Portfolio

01 Split Chickpeas (Yellow)

Chana Dal / Split Bengal Gram

Cicer arietinum|HS: 0713 20 20

- Dehusked, bright-yellow split Desi chickpeas with a rich, nutty flavor and firm cooking shape. High in plant protein and fiber; ideal for dals, curries, savory snacks, and gram flour (besan).

02 Desi Chickpeas (Whole)

Brown / Desi Chana

Cicer arietinum|HS: 0713 20 20

- Small, dark-skinned whole chickpeas from Saurashtra and Bhal mandis. Low glycemic index, high iron, and moisture controlled below 10% for boiling, sprouting, roasting, and curries.

03 Kabuli Chickpeas

Kabuli / White Chana

Cicer arietinum|HS: 0713 20 10

- Large, cream-colored seeds with a smooth coat and buttery texture. 99.5% Sortex-cleaned across export counts (42/44, 44/46, 58/60, 75/80) for hummus, falafel, salads, and Chole.

04 Whole Pigeon Peas

Arhar Tuer / Arhar Red Gram

Cajanus cajan | HS: 0713 60 00

- Matured, unsplit brownish-red whole legumes graded for uniform size and moisture. Features a robust, earthy profile ideal for Gujarati, Maharashtrian, and Afro-Caribbean stews.

05 Split Pigeon Peas

(Peel) Unpolished
(Faka Tuer Dal — Without Oil)

Cajanus cajan | HS: 0713 60 00

- 100% Sortex-cleaned, dehusked split pigeon peas processed naturally without oil, water, or polishing agents. Retains authentic aroma and natural nutrients for rapid everyday cooking.

06 Split Pigeon Peas

(Peel) Polished / Oily
(Tuer Dal / Toor Dal Oily)

Cajanus cajan | HS: 0713 60 00

- Dehusked split pigeon peas treated with a light coat of edible vegetable oil to enhance shelf life, gloss, and moisture retention. Essential for Gujarati Tuver Dal and South Indian Sambar.

Key Highlights

- High Protein
- Rich in Nutrition
- Sortex-Cleaned
- Ideal for Global Markets

Cicer arietinum & Cajanus cajan

Export-Grade Quality

Trusted Quality | Superior Taste | Global Trade

GREEN GRAM & BLACK MATPE

VISHWABHANU GLOBAL

Premium Quality • Better Nutrition • Global Reach

07 Whole Green Gram

(Akha Mug / Moong Whole / (Mung Bean)

Vigna radiata

HS: 0713 31 90

Shiny, cylindrical olive-green beans from Kulti and North Gujarat, machine- and Sortex-cleaned for high germination and canning quality. Prized for sprouting, curries, soups, and desserts.

08 Split Green Gram with Husk

(Moong Chilka / Mug ni Fotrawl Dal)

Vigna radiata

HS: 0713 31 90

Whole green gram split in half while retaining its nutrient-dense green outer husk for extra dietary fibre. Cooks rapidly into comforting Gujarati khichdi, light dals, and savory chilla pancakes.

09 Skinned & Split Yellow Mung

(Yellow Moong Dal / Moghar Dal)

Vigna radiata

HS: 0713 31 90

Dehusked and split golden-yellow lentils with a soft, creamy consistency and gentle digestibility. Preferred for instant cooking, light soups, khichdi, crispy namkeen snacks, and halwa.

10 Black Gram Whole (Matakanpe)

(Urad Whole / Akha Kala Adad)

Vigna mungo

HS: 0713 31 10

Bold, dense black-skinned legumes with a creamy white interior that develop a rich, velvety texture upon slow cooking. Essential for iconic North Indian Dal Makhani and Maa ki Dal.

11 Skinned Whole Black Gram

(Adad Moghar Dal)

Vigna mungo

HS: 0713 31 10

Whole black gram with its dark outer skin completely removed, leaving ivory-white round beans with milky grains and superior fermentation properties for idli, dosa, and medu vada batters.

12 Split & Skinned Black Gram

Urad Dal/Kali Dal

Vigna mungo

HS: 0713 31 10

Polished and unpolished dehusked split white cotyledons offering high protein and a mild, earthy flavor. Frequently used for culinary tempering (tadka), papad manufacturing, and dry dals.

LENTILS, KIDNEY BEANS & SPECIALTY LEGUMES

VISHWABHANU GLOBAL

Premium Quality — Nutritious — Sustainably Sourced

13 Red Lentils / Masoor Dal

Red Lentils (Whole, Split & Football)
(Masoor / Masoor Dal)

Lens culinaris | HS: 0713 40 00

- 100% Sortex-graded whole brown-skinned lentils, dehusked whole "Football", or split salmon pink lenses (unpolished or oiled/water-polished) that cook rapidly for Mediterranean soups and Masoor Dal.

14 Red Kidney Beans / Rajma

Red Kidney Beans
(Rajma — Sharmilee, Chitra & Red)

Phaseolus vulgaris | HS: 0713 33 00

- Bold, uniformly graded kidney shaped beans with glossy deep red or speckled skin and a meaty, tender interior that absorbs spices well. Ideal for Rajma Chawal, Mexican chili, and bean salads.

15 White Cowpeas / Black-Eyed Peas

White Cowpeas / Black Eyed Peas
(Safed Chori / Chawli / Lobia)

Vigna unguiculata | HS: 0713 35 00

- Clean, bold creamy-white oval beans with prominent black eye markings and moisture below 10%. Quick-cooking and rich in folate for Gujarati curries, coastal stews, salads, and Southern US cuisine.

16 Adzuki Beans / Red Cowpeas

Adzuki Beans / Red Cowpeas
(Lal Chori / Chauli)

Vigna angularis / V. unguiculata | HS: 0713 32/35

- Small, reddish-brown oval beans with a firm bite and a rich, earthy, slightly sweet flavor when simmered. A beloved staple in Gujarati and Maharashtrian kitchens for spiced gravies, usal, and Kathol.

17 Broad / Hyacinth Field Beans

Broad / Hyacinth Field Beans
(Vaal / Papdi Beans / Valol / Bakla)

Vicia faba / Lablab purpureus | HS: 0713 50/90

- Creamy white-to-buff oval beans sourced directly from Saurashtra and South Gujarat mandis with a prominent white seed ridge. Essential for traditional Vaal nu Shaak, Umbadiyu, and festive Birde curries.

18 Dry Green Field Peas

Dry Green Field Peas
(Lila Sukha Vatana / Green Matar)

Pisum sativum | HS: 0713 10 20

- Mature green peas harvested and dried to preserve their vibrant natural color, sweet-savory flavor, and high starch content. Ideal for rehydrating into spicy street-style Ragda, curries, roasted snacks, and soups.

Key Highlights

- Premium Quality
- Rich in Nutrition
- Safe & Hygienic
- Global Standards

Lens culinaris, Phaseolus vulgaris, Vigna unguiculata, Vigna angularis / V. unguiculata, Vicia faba / Lablab purpureus, Pisum sativum

Healthy Food | Better Nutrition | A Healthier Tomorrow

FIELD PEAS, RICE, WHEAT & MILLETS

VISHWABHANU GLOBAL

Premium Quality • Better Nutrition • Global Reach

19 Dry White / Yellow Field Peas

Dry White / Yellow Field Peas (Safed Sukha Vatana / Yellow Matar)

Pisum sativum | HS: 0713 10 10

Dried mature yellow-white peas featuring a mild, earthy taste and smooth, starchy consistency when boiled. Widely exported for street delicacies (Ghugni, Kulcha Matar, Ragda) and pea flour milling.

20 Moth Bean / Matki

Moth Bean (Mat Bean)

(Math / Matki)

Vigna aconitifolia | HS: 0713 90 90

Drought-resistant, oblong brown beans from Kutch and North Gujarat packed with protein, calcium, and fiber. Commonly sprouted for Maharashtrian Misal Pav and Gujarati Math nu Shaak, or milled for Bhujia.

21 Long-Grain Basmati Rice

Basmati Rice (Long & Extra-Long) (1121 / 1509 / 1718 / Pusa — Raw, Steam & Sella)

Oryza sativa | HS: 1006 30 20

World-renowned slender aromatic grains (8.30 mm+ pre cooked) that elongate over twice their size. Exported in Raw, Steam, Creamy & Golden Sella (plus Mogra/Dubar/Tibar) for Biryani, Kabsa, and HORECA.

22 Kolam & Short Grain Rice

Kolam & Short-Grain Rice (Surti / Gujarat-17 / Lachkari / Jeerasar / Kamod)

Oryza sativa | HS: 1006 30 90 / 40 00

Naturally aged small-to-medium slender grains from Gujarat's paddy belts (Raw, Steam & Khichdiya Kanki). Prized for floral aroma, sweet taste, and soft, buttery digestibility in everyday Dal-Bhaat and Khichdi.

23 Non-Basmati Rice Varieties

Non-Basmati Medium & Long Rice (Sona Masoori / PR 11 / PR 14 / IR 64 / Swarna)

Oryza sativa | HS: 1006 30 10 / 30 90

Versatile, low-starch varieties (Raw, Steam, Parboiled Sella & 5%-100% Sortex Broken) with light grain separation and economical pricing for everyday steamed rice, catering, and global commodity markets.

24 Wheat, Bajri, Jowar & Ragi]

Wheat & Ancient Millets (Bhalia, Tukdi, Lokwan & Sharbati Wheat | Millets)

Triticum / Pennisetum / Sorghum | HS: 1001 / 1008

High-protein golden wheat alongside gluten-free ancient millets (Green Pearl Millet Bajri, White/Yellow Sorghum Jowar, Finger Millet Ragi) from Bhal, Saurashtra, and Kutch for rotli flour and superfood exports.

VISHWABHANU GLOBAL

CONSOLIDATED EXPORT SOLUTIONS & ALLIED PRODUCTS

STRATEGIC LOGISTICS: DIRECT ACCESS TO GLOBAL SEA LANES

Farmgate Procurement in Saurashtra with Expedited Ocean Transit

From Saurashtra to the World

LOGISTICS HIGHLIGHTS

Saurashtra Agro Procurement Hub

Operating from Rajkot enables immediate daily procurement across primary APMC mandis, securing prime lots and competitive pricing.

Mundra Port Gateway (INMUN1)

Direct highway access to India's premier deep-draft port, offering high-frequency liner connections to the Middle East, Europe, Africa, Southeast Asia and the Americas.

Pipavav Port Gateway (INPAV1)

Fast container turnarounds, dedicated rail corridors, and reduced ocean freight overheads.

CFS & Cold-Chain Integration

Moisture-barrier stuffing, desiccants, protective fumigation, and proper temperature-controlled container transit.

Farmgate Procurement → Road Transport (Rajkot) → Rail / Truck To Port → Mundra / Pipavav Port Loading → Global Shipping

Efficient Logistics. Global Reach.
